

35th PIERRA MENTA 2020 Rules

Organization

- 2 000 to 3 000 m of difference in height per day.
- With an upward or downward gradient of about 45°.
- For safety reasons, organizers can require the use of ropes, crampons, harness in some sections.

Rules

- 1 Male, female or mixed teams. Each team will consist of two skiers.
 - 2 Starting time is chosen by the organizers for each stage.
 - 3 At any time, whenever it seems necessary, the organizers can alter the program for safety reasons. If the whole race, or just a part of it, is cancelled, there will be no refunds of registration fees.
 - 4 The organization committee is discharged from any participant claims.
 - 5 If necessary a time "allowance" may be given for each stage.
 - 6 According to snow conditions, time blocks can be set on certain places.
 - 7 The team cannot leave the checkpoints if the skiers are not together.
 - 8 For each stage of the race the time will only be recorded when both competitors have crossed the finishing line together. The clock is stopped when the last competitor of the team crosses the finishing line.
 - 9 Wearing a helmet and a race number are obligatory during the whole race: a race number on the rucksack and the other one on the upper part of the right thigh.
 - 10 Whether a team gives up because of physical or technical difficulty, or because they arrived too late at a checkpoint, the "number" must be given back to the nearest organizers who will arrange the repatriation. If the safety instructions are not observed, it will be at the competitors own peril.
 - 11 A daily unofficial podium will be organized on the arrival area for the 3 first teams of each category.
 - 12 The competition will consist of 2 categories:
 - 1/ women's teams
 - 2/men's and mixed teams
- Espoir teams are classified with Senior and "Espoir" will be mentioned.
- 13 Any claim about the day race must be written to the organization, within 1 hour following the posting of the unofficial results in the Salle de la Chaudanne of Arêches at 4 pm.
 - 14 Decisions, as regards any claims, will be taken according to the French translation of the rules.
 - 15 The organizing committee has purchased liability insurance for the event. It does not insure the competitors who must get their own ski-mountaineering insurance (insuring rescue fees, search and medical transport by helicopter). In case of accident, declaration must be done by the injured person to his own insurance.
 - 16 The participants in the Pierra Menta ski mountaineering competition allow the organizers and eligible third parties such as sponsors and media to make use of photos and audiovisual material produced during the competition, on which they may appear. This also applies to publicity and advertising documents, worldwide and for the length of time foreseen in the legislation.
 - 17 Organizers cannot be held responsible for the theft or loss of the racers belongings.
 - 18 Only clothes packed in bags supplied by the organization can be put in the bungalow on the finish area.
 - 19 Under no circumstance will the organizers be held liable for damages caused by the non-compliance of the participants' equipment, which would not have been detected during the conformity checking operations. Teams will be checked (Numbers and DVA) at the entrance of their departure line inside your closed pocket.
 - 20 The racers must follow instructions about parking and must have winter equipment for their car.
 - 21 The organizers cannot be held responsible for an accident due to bad health or insufficient training.
 - 22 Broken material (ski and stick) may be changed only at check or feeding points with the permission of the chief controller or his assistant. Pierra Menta organisation is not due to replace any broken equipment.
 - 23 Antidoping controls are planned.
 - 24 It is forbidden to pull teammate with either a rope or an elastic band within the first 15 minutes of the race as well as in corridors, on ridges or while skiing down.
 - 25 One member of the team must produce his own family third-party insurance with policy number.
